**SUPERSEDEAS REFUSED.**—Brief mention was made yesterday of the refusal by the Court of Appeals to grant a supersedeas in the case of Parkhurst vs. the Virginia Midland Railroad Company. The facts of this case are as follows: J. Parkhurst, Jr., & Co. held a note signed by John S. Barbour, President of the Washington City, Virginia Midland and Great Southern Railroad Company, on which payment was refused, and suit being brought in the Corporation Court of this city an office judgment was obtained, which was afterwards confirmed by the Court, on appeal being entered for the Company. A summons on a suggestion was then issued against the Alexandria and Fredericksburg Railway Company, who answered that they had sufficient money in their hands due the Company to satisfy Parkhurst's judgment. The counsel for the Company then filed a motion in the Corporation Court to set aside the judgment in favor of Parkhurst, on the ground that the office judgment was improperly entered up, because there was no proof that John S. Barbour was the President of the railroad company, and had the right to execute the note. Judge Lowe overruled the motion, and the Company applied to the Judges of the Court of Appeals for a supersedeas to bring the case before that Court, and this writ has been unanimously refused, thus sustaining the judgment of the Corporation Court. Messrs. J. W. Green, of Culpeper, and Kent & Neale, of this city, represented the Company, and H. O. Claughton, esq., was counsel for Parkhurst & Co.

**LEGAL DECISION.**—The following is an abstract of the decision of the Court of Appeals in a case mentioned in yesterday's Gazette: Walker vs. Beauchamp. From the Circuit Court of Alexandria. Reversed in part. Judge Staples delivering the opinion of the court. This was a most interesting and able opinion, in which the court held that a sale made under a deed of trust made before the war to secure the deferred payments on certain real estate sold and bought by the appellant at the sale in August, 1864, was void, and that the grantor in the deed having removed to, and then residing in the Confederate lines, and this court established the principle that all contracts between parties residing on different sides of the lines of the contending parties were suspended during the war, so that neither party could sue the other voluntarily or were driven from their homes by force, thus laying down a different principle from that established by the Supreme Court of the United States in Dean vs. Nelson and Lullow vs. Ramsey. The same doctrine was also reaffirmed in the case of Fred vs. Dixon yesterday, from the Circuit Court of Fauquier, in which Judge Christian delivered the opinion of the court, affirming the decree of the Circuit Court. The only difference in the two cases was that in Walker vs. Beauchamp, Beauchamp voluntarily came into the Confederate lines, while in Fred vs. Dixon, Dixon voluntarily went into the Federal lines.

**CONVICTS—WASTE OF OUR MONEY.**—The Sheriff of Alexandria delivered to Col. Strother today the following convicts: Jesse Gibson, grand larceny, eight years; Charles Thomas, felony, three years; Henry Stuart, felony, six years; Thomas King, felony, three years; John Bright, grand larceny, one year; Edmund Meade, grand larceny, one year. The Sheriff and a delegation of some half dozen citizens of Alexandria, as a guard, accompanied the prisoners to this city at a cost of one hundred and forty-four dollars and fifty cents to the State.—Rich Star of yesterday.

Among the six convicts were some who are notorious characters, and who have heretofore, while working on the chain gang, several times escaped from their guards, and who, therefore, required extra watchfulness to prevent their escape while in transit to the penitentiary. The number of guards, which was five, was fixed by the Judge of the Corporation Court, who was certainly well qualified to determine how many were needed, from his knowledge of the character and antecedents of the convicts. It is of course to be regretted that it should be necessary to expend such an amount for such a purpose, but while crime and its attendant punishment exists, the expense, however heavy, must be met. The Sergeant says that the amount he received did not cover his actual outlay.

**ALEXANDRIA.**—The Culpeper Observer, in speaking of the failure of the recent retrocession scheme, says: "Alexandria is a city which the State could not well afford to spare. In course of time, we cannot say how long, her advantages will be properly developed and directed, and when they are, she will become a great city, equal to any in the State. What her advantages are, everybody knows. They can be developed by the judgment combined with energy and perseverance, which may be somewhat inert just now, but which necessity will force into activity afterwards. We would rejoice to see the old town prospering, and hope that of the blessings which we all look for in the good times coming, she may have her full share."

**DEATHS AT THE ALMS HOUSE.**—James Brown, a colored man, who was sent to the Alms House for medical treatment, a few days since, died there of pneumonia on Wednesday last.

Miss Kitty Piles, an old resident of the city, also died there on Thursday.

**WARNED.**—The police, this morning, warned those persons living near the canal who own swine, and have heretofore permitted them to run at large, that they must hereafter keep them up, as complaint has been made of their rooting up the grass which has been placed along the canal banks to prevent washing.

## BOARD OF ALDERMEN.

This Board met in extra session last night, present: Messrs. Janney, Moore, Neale, Downham and Johnson. The President stated the object of the meeting to be a concurrence in the resolution of the Common Council fixing Thursday, May 4th, for the submission of the amendments to the city charter to the voters of this city. On motion of Mr. Moore, the action of the Common Council was concurred in. Dr. Johnson said some one should be instructed to order the election. Several members said that it was the Mayor's duty to order the election. Dr. Johnson said the Mayor thought not. He suggested that the Board instruct its Clerk to do so. Several members again stated their opinion, that it was the Mayor's duty. Dr. Johnson said it was clearly the duty of the Mayor, but would he do it? He thought it safer to instruct the Clerk. Messrs. Downham and Moore both stated that the Mayor had conversed with them and told them that it was his duty to order the election, and that he only awaited the action of the Board. Dr. Johnson had not so understood the Mayor in his conversation with him, but was satisfied now. The meeting then adjourned.

**COUNTY ITEMS.**—In spite of all the clap trap about removing the evil, the Aqueduct Bridge Company, one of the most extortionate monopolies our county is cursed with, is compelling the public, who are obliged to cross its bridge, there being no choice about it to a large class of the citizens of this State, to pay toll at the rates: Foot passenger, 1 cent; horse, mule, pack, or horse-drawn, 5 cents; vehicle drawn by one animal, 15 cents; do. drawn by two animals, 25 cents; do. drawn by four animals, 35 cents; hogs, sheep and other live creatures, 1 cent. Who can look at this schedule without declaring the gentlemen who control this business, and drawing large dividends from the money hard earned in the sweat of honest men's brows, capable of coming under the last part of the schedule, and entitled to cross over their own bridge at one cent per head, even should they increase the rate of foot passengers. The days of "He who has the power can take, And he can keep who can," are not over. If every one who now goes over the Aqueduct Bridge would go via the Long Bridge; if they will patronize foreign instead of domestic enterprises, the evil would be, to a measure, abated.

**POTOMAC ASSOCIATION.**—The afternoon sessions yesterday were particularly interesting. Rev. Dr. Cathbert, of Washington, read an exceedingly clear and impressive essay on the following subject: "To what extent may a church exercise its discipline in developing the spiritual character and in utilizing the material resources of its members?" A resolution was passed asking for its publication. At night the sermon by Rev. Mr. Carroll was a strong and earnest presentation of his subject, after which the meeting adjourned. To-morrow the pulpit will be filled morning and evening by visiting ministers.

**CHANGE OF SCHEDULE.**—As previously announced in the Gazette a change in the schedule on the Virginia Midland Railroad will go into effect on Monday next, the 1st proximo. Under it the mail train on the main line, which now arrives here at 6:40 p. m., will arrive at 4:35 p. m. On the Manassas Branch, the accommodation train will run daily, except Sunday. Leave Washington 4:20 p. m., and Alexandria 5 p. m., and arrive at Front Royal 9:19 p. m. Leave Front Royal 4:21 a. m., and arrive at Alexandria 8:45 a. m., and at Washington 9:30 a. m.

**POLICE REPORT.**—The following cases have been tried since yesterday afternoon: Joseph Mitchell, colored, for disorderly conduct and beating Emma J. Walker, also colored, was fined and discharged. Wm. White, colored, was arrested by Officer Phillips for stealing a watch and some clothing from another colored man, near Acetotik, and was locked up to await the arrival of the Fairfax officers. Two lodgers were accommodated at the station house last night.

**MINERAL BUREAU.**—All of the specimens of ores, &c., which were deposited in the Virginia Mineral Bureau, in this city, have been packed up and forwarded to Philadelphia for exhibition at the Centennial, where space has, as heretofore announced, been secured for them. Mr. W. F. Spotswood, the gentlemanly and accommodating Superintendent of the Bureau, will leave for Philadelphia on Monday.

**FISH REPORT.**—Receipts at Fishtown, this morning, amounted to only 9,700 shad and 68,000 herrings, a falling off of 4,000 shad and 14,000 herrings from yesterday's report. Shad sold at from \$14 to \$17 per hundred, herrings from \$12 to \$15 per hundred. The small numbers of rock and perch which are received are sold rapidly at 25 and 15 cents per bunch, respectively.

**I. O. G. T.—Potomac Lodge, No. 35,** of Good Templars, last night, elected the following officers to serve for the ensuing quarter: W. C. T. Benj. D. Stallings; P. C. T. J. S. R. Caton; W. C. T. Durbin Hodgkin; F. S. H. L. Ramey; W. S. C. H. Pickens; W. M. N. S. Greenaway; I. G. J. L. Queenberry, and O. G. John Palmer.

**SALE OF CRACKER HALL.**—Justice J. O. Kerby, as agent, sold to-day the farm known as Cracker Hall, a short distance below this city, on the old Mount Vernon road, containing 67 acres of land, to Albert Stonnell, of Fairfax county, for \$35 per acre. It was sold nine years ago for \$20 per acre.

**DELEGATE ELECTED.**—At a meeting of the vestry, held last evening, Mr. W. G. Chazewave was elected delegate, and Mr. R. Johnston alternate, to represent Christ Church in the Council to be held in this city on the 17th proximo.

**THE PRESIDENT IN TOWN.**—President Grant and his son, Ulysses, came down to this city on the four o'clock boat this afternoon, and took a drive through town in a buggy, drawn by two handsome horses.

It was refreshing to stop in at H. C. Slaymaker Co.'s this morning. Things were moving lively, store crowded, and everything bustling. We suppose the bargains they are offering must draw.

Use the Eureka sewing silk. Every spool warranted perfectly smooth and full size and strong. Slaymaker Co. sell it.

**THE GREAT BANKRUPT SALE OF DRY GOODS.**—The large sale of dry goods at Green & Williams' auction room, corner of Tenth and D streets, Washington, is attracting large numbers of buyers, and hundreds of dollars worth of dry goods, carpets, &c., are daily purchased. At the present rate of sale all the vast stock will be disposed of in a short time. Sales every day at 10 a. m. and 2 p. m.

A word to the wise. If you are troubled with a cough or cold, procure a bottle of Dr. Bull's Cough Syrup at once. Its use may save you from severe sickness. Your druggist keeps it. Price, 25 cents.

## Fire.

WILLIAMSPORT, Pa., April 29.—A very destructive conflagration occurred last night, about 10 o'clock, in the lumber yard of Herdick & Maynard, by which about twelve acres of manufactured white pine lumber were totally destroyed. Herdick & Maynard lose 3,000,000 feet; Rausteadt Flynn 2,500,000, and Hubbard & Mankey 100,000 in addition to a large lot of laths belonging to a Lock Haven firm. Two thirds of the loss is covered by insurance. Herdick & Maynard's mill was saved. The fire departments of Lock Haven, Watertown and Saubury were called upon, and rendered valuable service. The fire is supposed to have been the work of an incendiary.

## Charles O'Connor.

NEW YORK, April 29.—The tribunal composed of ex-Governor Dix, Wilson, P. Hunt, Rev. Dr. Wm. Adams, Howard Potter and Hon. Jos. K. Porter, who were selected by the Bar Association to investigate charges against Chas. O'Connor in connection with the Forest divorce case met this morning. Governor Dix presiding. The Secretary read a citation, a copy of which was served on editors and proprietors of the New York Times requesting their appearance to substantiate charges published in the columns of that journal. He also read similar citations, copies of which had been served on Chas. A. Dana of the New York Sun, and Mrs. Sinclair and her brother-in-law, Mr. Sedley. The Secretary then read a letter that Mr. O'Connor had received from Mrs. Sinclair acknowledging the receipt of a citation declaring her feeling of gratitude to him and reiterating her assertion that the article from which the investigation arises was published without her consent, against her wish, and after solemn promise had been given not to publish it. She denied making charges against him and declined to appear before the tribunal.
